How to View Your Storefront Orders

Overview

Open the Orders section for the correct producer workspace and select the order you need to review.

Where to start

Dashboard area: Commerce → Orders

1. Open Commerce → Orders in the correct producer workspace.
2. Open the Orders section for the correct producer workspace and select the order you need to review.
3. Check the resulting record or storefront behavior before making changes for real customers.

Publication review required: Check current control labels, feature availability and the complete workflow against the live BeatKongs dashboard before publishing.

Need help?

Use Report Issues in the producer dashboard to contact BeatKongs Support. Include the relevant page, order number where applicable, and steps to reproduce the issue.
