How to Download Order Contracts and Files

Overview

For a beat sale, use the available Download File and Download PDF actions to retrieve delivery files and the saved contract snapshot.

Where to start

Dashboard area: Music → Beat Sales

1. Open Music → Beat Sales in the correct producer workspace.
2. For a beat sale, use the available Download File and Download PDF actions to retrieve delivery files and the saved contract snapshot.
3. Check the resulting record or storefront behavior before making changes for real customers.

Publication review required: Check current control labels, feature availability and the complete workflow against the live BeatKongs dashboard before publishing.
