How to Create Discount Codes

Overview

Open Discounts to review the controls for creating a promotion. Exact discount rules and fields must be verified in the current dashboard.

Where to start

Dashboard area: Commerce → Discounts

1. Open Commerce → Discounts in the correct producer workspace.
2. Open Discounts to review the controls for creating a promotion. Exact discount rules and fields must be verified in the current dashboard.
3. Check the resulting record or storefront behavior before making changes for real customers.

Publication review required: Check current control labels, feature availability and the complete workflow against the live BeatKongs dashboard before publishing.

Need help?
