How to Display Merch on Your Website

BEATKONGS HELP CENTER <h2 style="color:#fff;margin:10px 0">How to Display Merch on Your Website</h2> PLANNED FEATURE — NOT YET VERIFIED <h3>Overview</h3> Imported merchandise should be displayed through the producer website once integration is complete; exact page creation and publishing controls are not yet confirmed. <h3>Where to start</h3> Dashboard area: Merch / Printful (planned) Do not follow this guide as an active setup procedure until the Printful milestone is implemented.
Verify the relevant Printful integration behavior on a test producer storefront.
After QA, replace this draft with screenshots and exact steps from the live dashboard. Publication review required: This Printful workflow is planned, not confirmed as implemented. Do not publish this article as a working instruction. <h3>Need help?</h3> Use Report Issues in the producer dashboard to contact BeatKongs Support. Include the relevant page, order number where applicable, and steps to reproduce the issue.
