How to Search Your Media Library

This guide explains how to Search Your Media Library using the BeatKongs producer dashboard.

Where to go

Website → Media Library

Steps and key details

1. Open Media Library and use its search field.
2. Search using part of a filename or a recognizable term.
3. Clear the search and use folder breadcrumbs if the item is not found.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
