How to Upload Beat Artwork

This guide explains how to Upload Beat Artwork using the BeatKongs producer dashboard.

Where to go

Music → Add Beat → Media

Steps and key details

1. Open the beat editor and go to Media.
2. Select the artwork or cover-image upload control and choose an appropriate image.
3. Save and confirm the artwork displays on the beat page and player.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.

Review note: Some screens may change during platform development. Verify the current controls
