Understanding Free vs. Paid Beats

This guide explains understanding Free vs. Paid Beats using the BeatKongs producer dashboard.

Where to go

Music → Add Beat → Licenses

Steps and key details

1. Free beats use the Free Beat license row with zero price and associated contract/delivery settings.
2. Paid beats can offer Basic, Premium, Unlimited and Exclusive licenses with separate prices and delivery files.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the
