How to Configure a Free Beat License

This guide explains how to Configure a Free Beat License using the BeatKongs producer dashboard.

Where to go

Music → Add Beat → Licenses

Steps and key details

1. Set the beat type to Free and open Licenses.
2. Review the Free Beat row ($0.00), template, availability and delivery file.
3. Save and test the free download workflow.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
