How to Configure a Basic License

This guide explains how to Configure a Basic License using the BeatKongs producer dashboard.

Where to go

Music → Add Beat → Licenses

Steps and key details

1. For a Paid beat, locate Basic in the Licenses tab.
2. Set its availability, price, contract template and delivery file.
3. Save and verify the license selection on the live beat page.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
