How to Configure an Exclusive License

This guide explains how to Configure an Exclusive License using the BeatKongs producer dashboard.

Where to go

Music → Add Beat → Licenses

Steps and key details

1. For a Paid beat, locate Exclusive.
2. Set availability, price, contract template and delivery file.
3. Check exclusive-sale behavior before publishing; sold exclusives must no longer be offered for new purchase.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the
