How to Edit Your Licensing Contracts

This guide explains how to Edit Your Licensing Contracts using the BeatKongs producer dashboard.

Where to go

Music → Licensing Contracts

Steps and key details

1. Find the relevant license template and choose Edit.
2. Review the language and variables carefully; ensure it matches the rights you intend to grant.
3. Save and test a new transaction; previous contract snapshots should remain unchanged.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the
