What Happens When an Exclusive Beat Is Sold?

This guide explains what Happens When an Exclusive Beat Is Sold? using the BeatKongs producer dashboard.

Where to go

Music → Beat Sales

Steps and key details

1. An exclusive sale is recorded with its contract snapshot and delivery information.
2. The exclusive lockout prevents offering the sold exclusive again.
3. Review the beat availability and its sale record after checkout.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
