How Customers Receive Their License Contracts

This guide explains how Customers Receive Their License Contracts using the BeatKongs producer dashboard.

Where to go

Music → Beat Sales

Steps and key details

1. The completed checkout/thank-you experience provides contract and download access.
2. The beat-sale notification email is intended to include the download and contract.
3. Verify delivery using a controlled test order before launching sales.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
