Understanding Beat Statistics

This guide explains understanding Beat Statistics using the BeatKongs producer dashboard.

Where to go

Music → Beat Stats

Steps and key details

1. Beat Stats includes totals for beats, plays, downloads, favorites and beat sales.
2. The page also offers a Top Beats table and date-range comparisons.
3. Advanced statistics may be restricted by the producer subscription plan.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.

Review note: Some screens may change during platform development. Verify the current controls
