How to View Beat Plays and Downloads

This guide explains how to View Beat Plays and Downloads using the BeatKongs producer dashboard.

Where to go

Music → Beat Stats

Steps and key details

1. Open Beat Stats and select the date range.
2. Review the Plays and Downloads totals and Top Beats table.
3. Use a consistent date range when comparing performance.

Before you finish

Save your changes where applicable, then check the result on your live website or in the relevant dashboard list. If a control differs from this guide, use the current dashboard label and report the mismatch to BeatKongs Support.
